# Presidents Message

Wow, what a start to summer events 2010, Orrie's run to Bridgewater was another huge success, we had 27 Corvettes. It was too bad that none of the other Corvette Clubs took part in this annual event. The sun god blessed us with sun and according to our Corvette 78 degrees. Orrie took us on a new route down past Peggy's Cove and we stopped at Home Hardware in Chester for Tim Horton's across the road. Special thanks to our member, Bruce Elliott for letting us use his parking lot, and for giving us all a Home Hardware measuring tape. After a short break we were off to Blair's to see what treasures he had to offer. Many of us took the time to dream about the many Corvettes that Blair had for sale that looked pretty easy to fix. I know I looked more than once at the triple black 67 big block Blair has for sale.

After our shopping spree we were off to the Waves Restaurant for supper. The food was great and they did a great job of serving everybody.

Our first 50/50 draw for the IWK was for \$45.00 and went to Don Heffler, special thank-you to Mike Little and his helpers. It was an incredible day, thank-you everyone for participating and getting us off to a great start.

Debbie and I were to the Atlantic Canada Corvette Club meeting on April 24. A few things to report:

Doug MacDonald said that he expects a good turnout for his show on June 5<sup>th</sup> and does not think that Bar Harbour on the same weekend will have a big impact on his show. (Debbie & I plan on taking two cars up to the show.) Doug also said that Kim our editor is doing a great job on CCNS newsletters (I agree)

River Valley Vettes Show & Shine June 19<sup>th</sup> will not be on the downtown street as in years gone by, this year it will be at the Downtown park one street away (where the antique car club was two years ago) They have added a Casino Night Friday Night at the Golf Club for anyone interested in going up Friday night (already booked)

Atlantic Nationals and Greater Moncton Corvette Club show registration will not be at the entrance to the park as in previous years. This year it will be at the lot right beside the park. You will not get confused there will be lots of signs and people to guide you.

\$25.00 entrance fee to get into the show (worth it as you will see 100+ Corvettes and 1400 Hotrods) Meal after the show will be at the Darts Club.

CSNB Corvette Only Show & Shine will be on Aug 7 and will be on the Saint John Waterfront again this year.

PEICC Corvette Only Show & Shine will be September 11 & 12. We will meet them at Gateway Village on Saturday Sept.11 and have a guided tour of PEI. Show on Sunday down on the Waterfront in Charlottetown.

I have included an "of interest" and a combined "club events" Please do not get confused. The "Of interest" is in Black; **Corvette Club of Nova Scotia events are in Red. (Mailed Copies Are Underlined)**

Please take a second and look at what's coming up for events, you don't want to miss something.

Brian

# View from the Second Level

Hello all. Another season is underway, and you can sense the excitement that everyone is feeling by having their cars out. The sensation of being part of a large group of corvettes travelling down the road one after another is incredible. Watching heads turn as the loud roar of aftermarket exhausts (Orrie) draws attention to ourselves cannot be expressed.

We are also entering our Wednesday evening "cruise nights" season, which will be hosted by Calvin, but we encourage other members to contact Calvin with their ideas, and volunteer to lead a short evening

run.

However, I realize that not everyone is available on Wednesday evenings because of other commitments, so if you would like to get together on another evening, drop me a line ([timkim@eastlink.ca](mailto:timkim@eastlink.ca)) and I'll make sure the information is available for all of our members. I have even had suggestions from some people stating that they would enjoy just getting together for a coffee at a Tim Horton's for an hour or so. If Thursday night works for those people, I'll try to pick a "Tim's" in the Bedford, Sackville, Hammond's Plain's, Fall River, Beaver Bank area for those get together's. If other people have ideas for different things during the week, let me know. The more time that corvettes are on the streets, instead of being in our garages, the better.

**Tim**

## **NEW RIDES**

This year we would like to add a monthly section called "NEW RIDES".

If you decided it was time to trade in your corvette, update the look of your current ride, or add another one to your household, please send us a picture, and we'll show it off in the newsletter. If you can add a caption with some specifics, it would be appreciated. We should all be proud of our cars, so send us some photos. We'll make sure everyone gets a chance to see it.

**Thanks**
